<b>ORDERING YOUR RE-MILLED RECYCLED TIMBER FLOORING</b>	
<p>1. Custom cut timber flooring can take time to prepare (in some cases up to 12 weeks) so do try and order well in advance if you can. Many floors are available ex stock. Our sales staff can indicate to you how long each floor may take.</p> <p>2. A deposit of 50% will confirm your order and fix the price. We understand that often times building times and building projects can run over time - do not worry - Shiver Me Timbers will store your flooring (free of charge) and then deliver to your site when required. Please give us at least 7 days notice of your delivery date.</p> <p>3. Delivery can be arranged to anywhere in Victoria or Australia wide at cost. Curb side delivery only. Generally we can indicate delivery time to morning or afternoon only on the specified day.  <u>Deliveries available : Wednesday and Thursday only.</u></p> <p>4. It is advisable to allow a wastage allowance in the quantities of flooring. Laying over a timber sub-floor (joists and bearers) or over battens over a slab, you should allow 10% in addition to the measurements of the area. Laying over a solid surface (yellow tongue or plywood, or sticking directly to a slab) an allowance of 5% should be ordered.</p>
